## Letter of Recommendation

Mr. Samat Imanalin, born on June 12, 1999, worked as an intern in the areas of game design and quality assurance in our game software studio from Feb 1st, 2023 to June 30, 2023.

His responsibilities included:

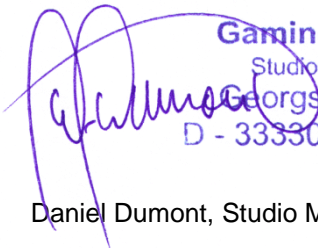

- Testing gameplay and balancing for the game Railway Empire 2 (PC)
- Creating scenarios for the game
- Testing the economic system in-game
- Documentation of ideas, suggestions, and errors
- Participation in game design meetings
- Review of game design documents

Mr. Imanalin fulfilled all tasks to our complete satisfaction. He familiarized himself with his areas of responsibility in a short time and showed a high level of commitment and initiative.

He demonstrated a good grasp of things and was able to quickly familiarize himself with our project, the tools we used and our methods.

He worked independently and was actively involved in the development. Mr. Imanalin was appreciated by all superiors and employees for his friendliness, ability to work in a team and reliability.

We thank him for his good work and wish him all the best for his professional and private future.
